### PURPOSE

Student safety at North Geelong Secondary College is our highest priority and the safe and appropriate supervision of students is an essential element of our duty of care to students. Part of this duty is ensuring parents/carers and students know our student supervision arrangements before and after school.

### POLICY

**Before college:** Breakfast Club operates from 8am-8.45am.

**After college:** College grounds are supervised until 3.30pm. The library is supervised until 4.30pm.

Students on college grounds outside these times will **not** be supervised (unless they are attending a supervised extracurricular activity).

Parents/carers are requested to ensure that students do not attend the college outside of these supervised times unless they are attending before or after school care, or a pre-arranged supervised activity (e.g. sports practice).

Parents/carers are encouraged to contact the college on 52405800 or refer to the college website for more information about the before and after school care facilities available to our college community or if you would like any further information about our student supervision arrangements.

For a copy of our college Yard Duty and Supervision policy please contact the college administration office. This policy covers North Geelong Secondary College's student supervision arrangements across the day, including before and after college instruction hours.
