

RE: PARENT PAYMENTS POLICY YEAR 11- 2025

Dear parent/guardian,

North Geelong Secondary College is looking forward to another great year of teaching and learning and would like to advise you of *North Geelong Secondary College's* voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our college can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our college and the programs we can offer.

Within our college this support has allowed us to provide: smaller VCE classes, average Yr 7 class size of 22, special curriculum programs, SEAL, Excellence in Sports, ACE & STAR Literacy & Numeracy programs, wide offering of instrumental music classes, upgrade of all sporting facilities, state of the art library, refurbished Performing Arts Centre, faster WIFI and Australia's Academic and Research Network (AARNet) internet connection.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours Sincerely,

Paul Dawson
Principal

Dirk Heitmann
School Council

PARENT PAYMENTS POLICY

ONE PAGE OVERVIEW

FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

Curriculum Contributions	Other Contributions	Extra-Curricular Items and Activities
Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.	Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.	Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
